I hereby certify that the statements in this application are true, correct, and complete to the best of my knowledge. If awarded a grant by the National Alopecia Areata Foundation (NAAF), the undersigned hereby agrees to provide two written reports to NAAF as follows: **the first one-page progress report shall be submitted to NAAF within six months of the grant award, and the second (final) report shall be submitted to NAAF within (30) days of termination of the grant.** The six-month report is a short (one page or less) progress report. The final report shall be an in-depth scientific summary of your research results, accompanied by a list of titles and publications of papers supported all or in part by this research grant. In addition to the scientific report, a 200-word (or less) layman's summary in non-technical language must be submitted for inclusion in the NAAF newsletter. The undersigned acknowledges that NAAF grants are disbursed as follows: one-half at the time of receipt of the signed NAAF research contract, and the balance after receipt by NAAF of the six-month progress report. The undersigned acknowledges that failure to submit the six-month progress report will result in termination of the grant and forfeiture of remaining funds. The undersigned also agrees that in the event the research project is completed under the budgeted amount (less than the total amount of the grant award), any unused funds are the sole property of and must be reimbursed to NAAF.
